Notes from the Chief Bunny

Welcome to the very first Color Special of Spooo Presents!

The artwork produced by the artists of the Furry Fandom rivals and usually exceeds the quality of science fiction and fantasy artists. I am personally very proud of the quality our great artists produce on a daily basis. It was with that pride in mind that we decided to celebrate the 20th issue of Spooo Presents by creating a full color special for you, the loyal readers.

Starting off in our lineup of wonderful artwork and story are the crazy people of Zoorama Comics featuring a very special behind the scenes look at their special way of creating quality dirty pictures. And, who is this I see, a special guest star? Promises of certain citrus flavoured furies in the future? Oh my....

Next up is fan favorite Mark Wulfgar and a brand new story of cute chubby and muscle bound boys in far too little clothing for walking down the streets of Las Vegas. Though, I would pay to see that happen. Maybe we should start auditions to make that happen. Send naked full body shots to the bunny... Ahem. Anyway.

Finally, an artist brand new to the Spooo Presents universe, Zel, partners with author Tredain for a different sort of predator and prey story, a bit of swordsmanship, cute chibi moments, and of course, a bunny rabbit.

There is no way that any of this could have come about without all the hard work of both our own Hyperyote series editor and crafty marketing fox. Besides completely recreating our store server, updating the website, and running his usual day job, Kurst has been working hand in hand with our artists to get artwork done on time. Many special thanks to the Fox for all his yote wrangling, comic layout, editing, and generally running the store for the last heaven knows how long.

The Furry Fandom has spread to cover the entire world, and this series has highlighted how far our critterness has spread. Zoorama hails from Brazil, Wulfgar from Mexico, and Tredain and Zel are on opposite coasts of the United States. We've had West Coast and Midwest United States with Rocketship Rodents, California with Coyote River, Cape Cod with Big Bad Wolf Club, and Maine and Mexico with Moving In / Life in the Co-Op. And our readers spread from Australia, Indonesia, Japan, Brazil, Argentina, Israel, Iraq, Turkey, all through Europe and Russia, South Africa, and here in North America.

Now all we need to do is get all y'all to Las Vegas and show them what Sin City could really be like with a good dose of critter.

Spooo Presents is a comic book series that highlights the best anthromorphic story and adult art. We are always looking for new content to help us fulfill this goal. For details on how to submit your story and artwork to Spooo Presents, including page format sizes for both our black and white and color specials, please visit our website at <http://www.spooo.com> or email editor@spooo.com.

If you're considering comissioning an artist to draw a comic, just remember that we cannot print any story that has been published anywhere else, including online! Contact us before you post, and you may be able to pay for that comission by publishing it in Spooo Presents!

ZOORAMA COMICS!

Zoorama is doing well, thanx, but, for zhee next issue I was thinking about...

Ya won't, you'll NEVER, EVER, fuck in this magazine! The fans and the company demand a real male with real malehood to show, not some half baked chicken wussy like...

Yes...Mister fox...

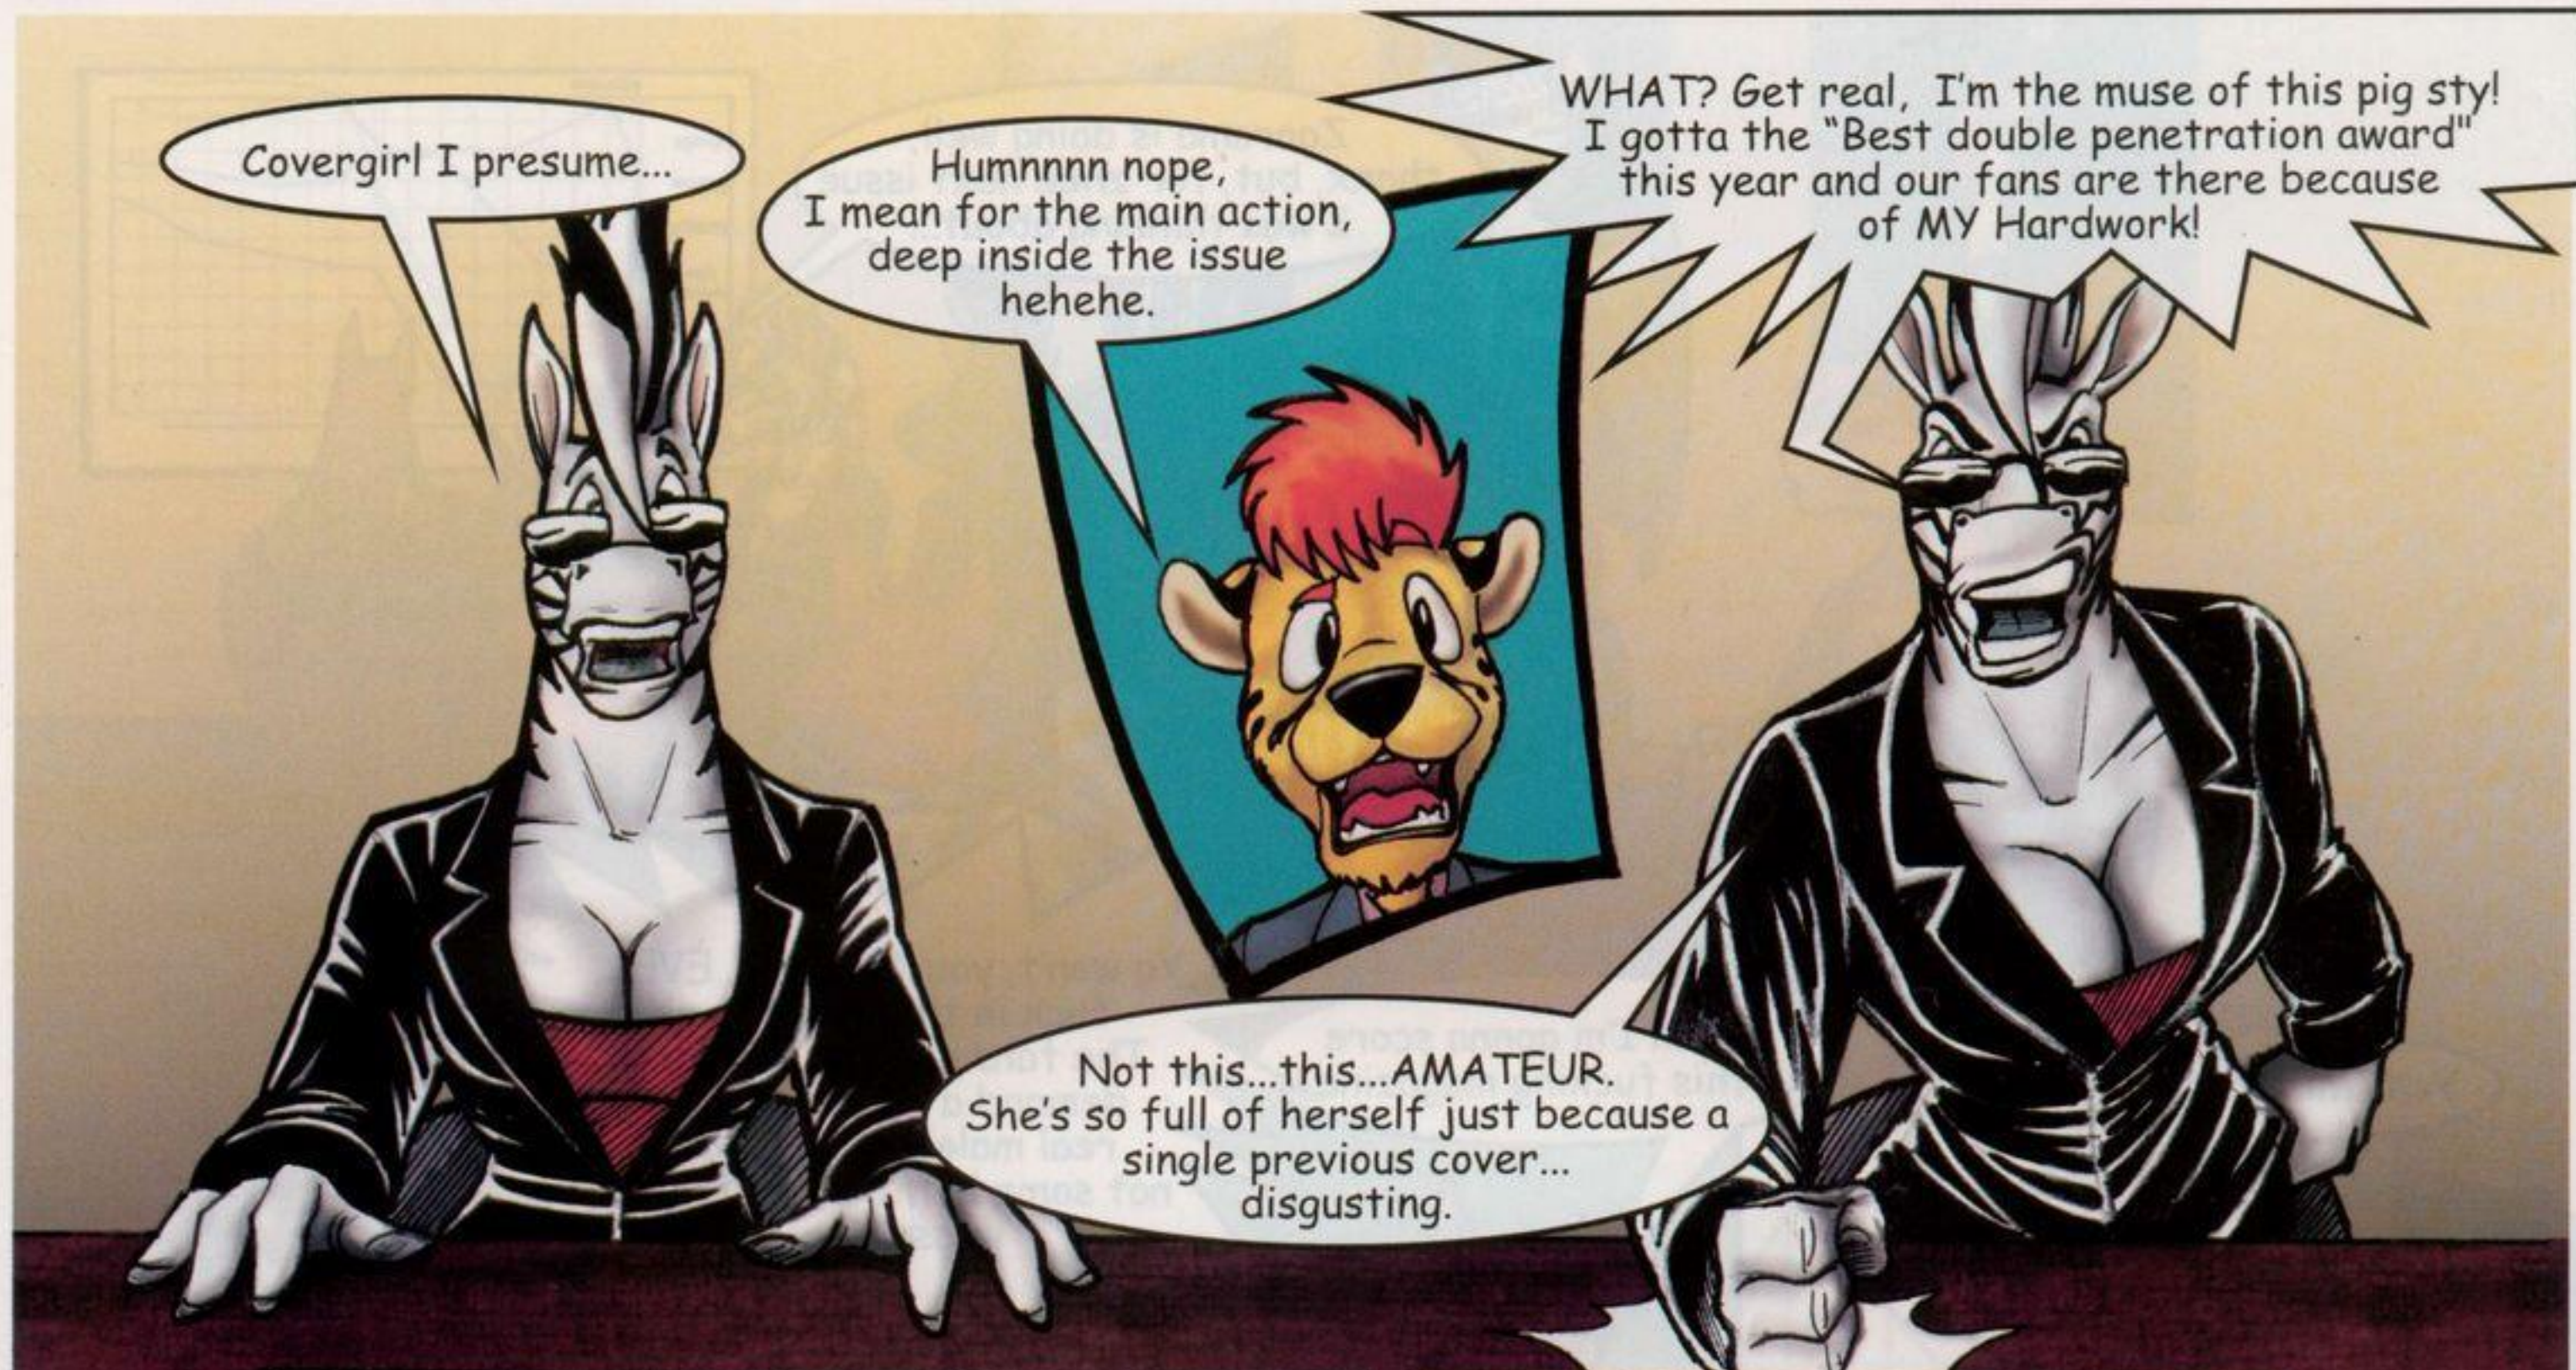

When I'm gonna score in this fucking magazine?

Hey, let's calm everybody down, shall we? Ya gonna fuck the day jah returns to earth to punish all the furry scum. Right?

Of course I'll be the magnificent shining star on this new issue, I'm sure.

I was in fact thinking about choosing her.

ME?

Covergirl I presume...

Humnnnn nope,
I mean for the main action,
deep inside the issue
hehehe.

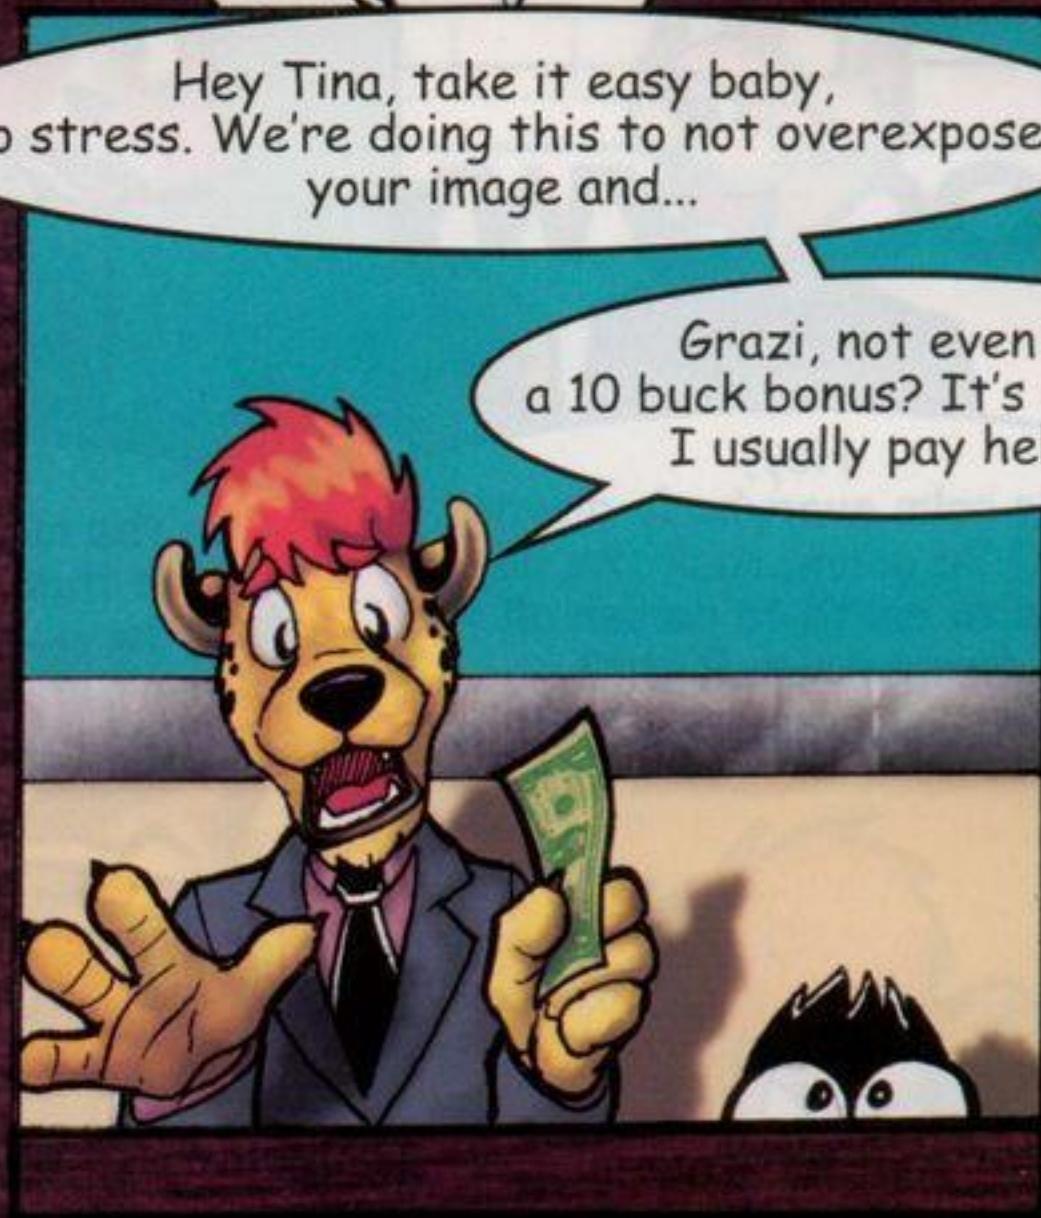

WHAT? Get real, I'm the muse of this pig sty!
I gotta the "Best double penetration award"
this year and our fans are there because
of MY Hardwork!

Not this...this...AMATEUR.
She's so full of herself just because a
single previous cover...
disgusting.

She's got the point...

But I don't do sex
scenes for the câmeras, I though
I made it clear last time
we talked, dumbass.

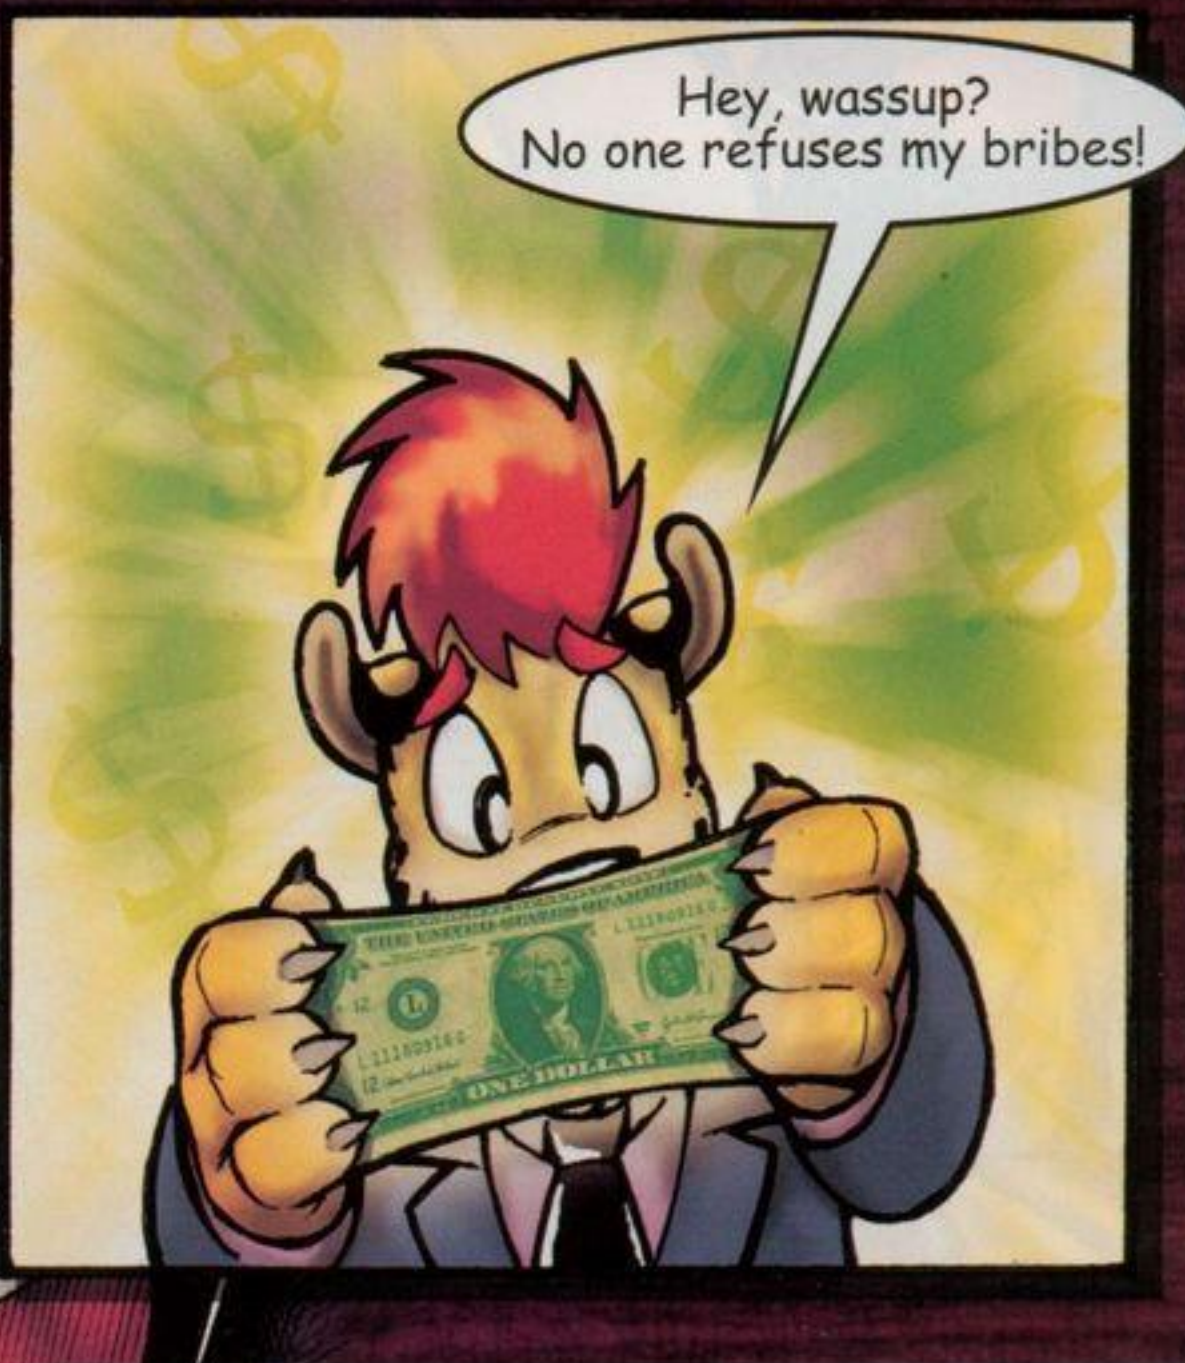

Hey Tina, take it easy baby,
no stress. We're doing this to not overexpose
your image and...

Grazi, not even for
a 10 buck bonus? It's more than
I usually pay heheh.

Excuse-me,
I'm not one of your
whores.

hahaha so
good and pure girl...
a true noum!

Hey, wassup?
No one refuses my bribes!

Why? Isn't she already part of the staff?

He's right, everybody here agreed to show da body in porn scenes and we agreed Nexus is da pimp mastah.

But...talking about me like this, makes me feel I'm some kind of profiteer, a monster...I feel so empty inside...But I could even give Ten bucks and a free zoorama for the bud who changes her mind...

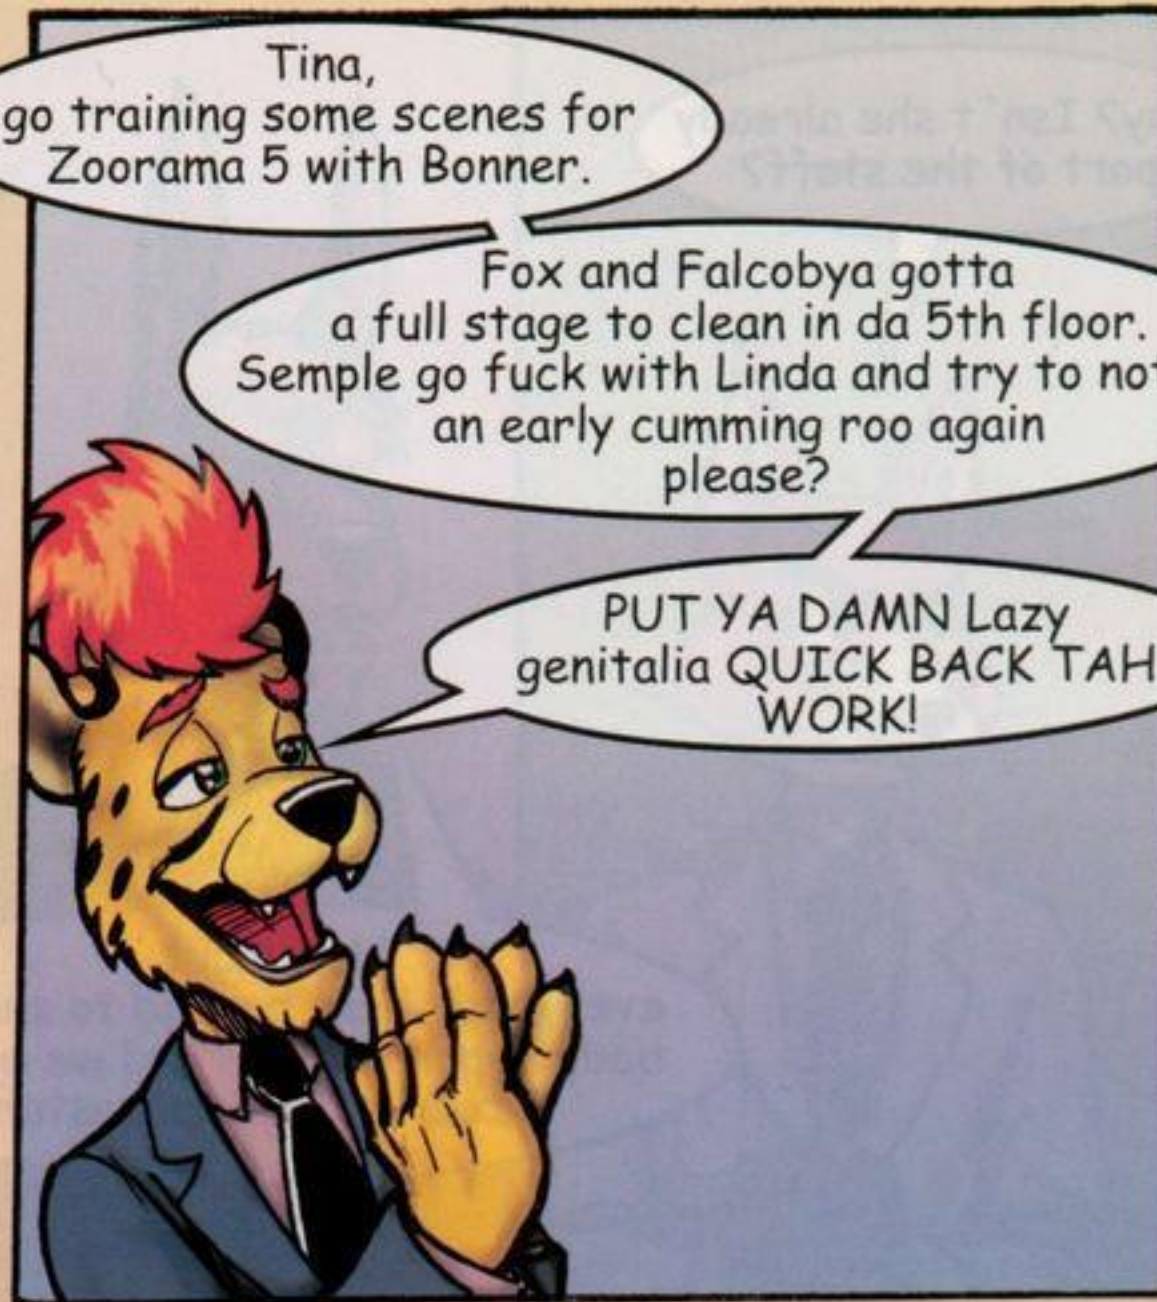

DEAL!

ZiComics - PAG
03

That's the spirit!
The meeting's over.

Tina,
go training some scenes for
Zoorama 5 with Bonner.

Fox and Falcobya gotta
a full stage to clean in da 5th floor.
Semple go fuck with Linda and try to not be
an early cumming roo again
please?

PUT YA DAMN Lazy
genitalia QUICK BACK TAH
WORK!

Mr.Nexus,
Mr.AdamWan arrived
and waits for you.

Let him enter

Oh ho ho,
be very welcome my dear Adam,
make yourself at ya very
home!

My home isn't
a porn studio,
but ok.

Pleased to meet you Mr. Nexus. I brought the citras you asked for, they are at the hall. But, If you excuse-me, I'm very curious about your plans for them.

I mean, you already have a good staff of professional porn stars here, So I wonder how could my citras be of help?

You will see it soon! Don't worry.

Ahhhhh Adam... Adam...Adam.....adm...a... There are no secrets between us!

Your citras will be casi-almost-the main characters in zoorama #5.

BIG ANIMALS AUCTIONS

OH, GOD!

Oh, cool. And what is the issue's plot about?

Z!Comics - PAG

05

We're planning some sort of sensual thriller but don't worry, I promised not to ki..., Well, I mean, Were are we? Ah yes, the Citras.

Oops, honey, Adam, our Sophie here is going to be your hostess for the rest of your...

...magical mistery tour in our studios, Unfortunately I gotta go now, ya know, urgent issues demand my attention heheheh.

See ya for our lunch-meeting!

So...How are ya?

Get out, I'm not going to make any fuck scene at all! I'm a decent girl, and I'm here just because I was hired as covergirl model. What in hell is Nexus thinking about?

ZiComics - PAG
06

Hey, hey,
no sweat. You don't have the know
how to be the star, Tina is much
more experienced, and
professional...

C'mon!
Anyone can take it up in the ass!
You don't need to be any brilliance
to do that!

Ahem...
its not what it seems.
And ya have to agree that Tina's
bottoms are gorgeous.

Maybe that explains why
you were shown only front
looking till now.

Yeah...
ya too smart to fall in that ol'good
trick.

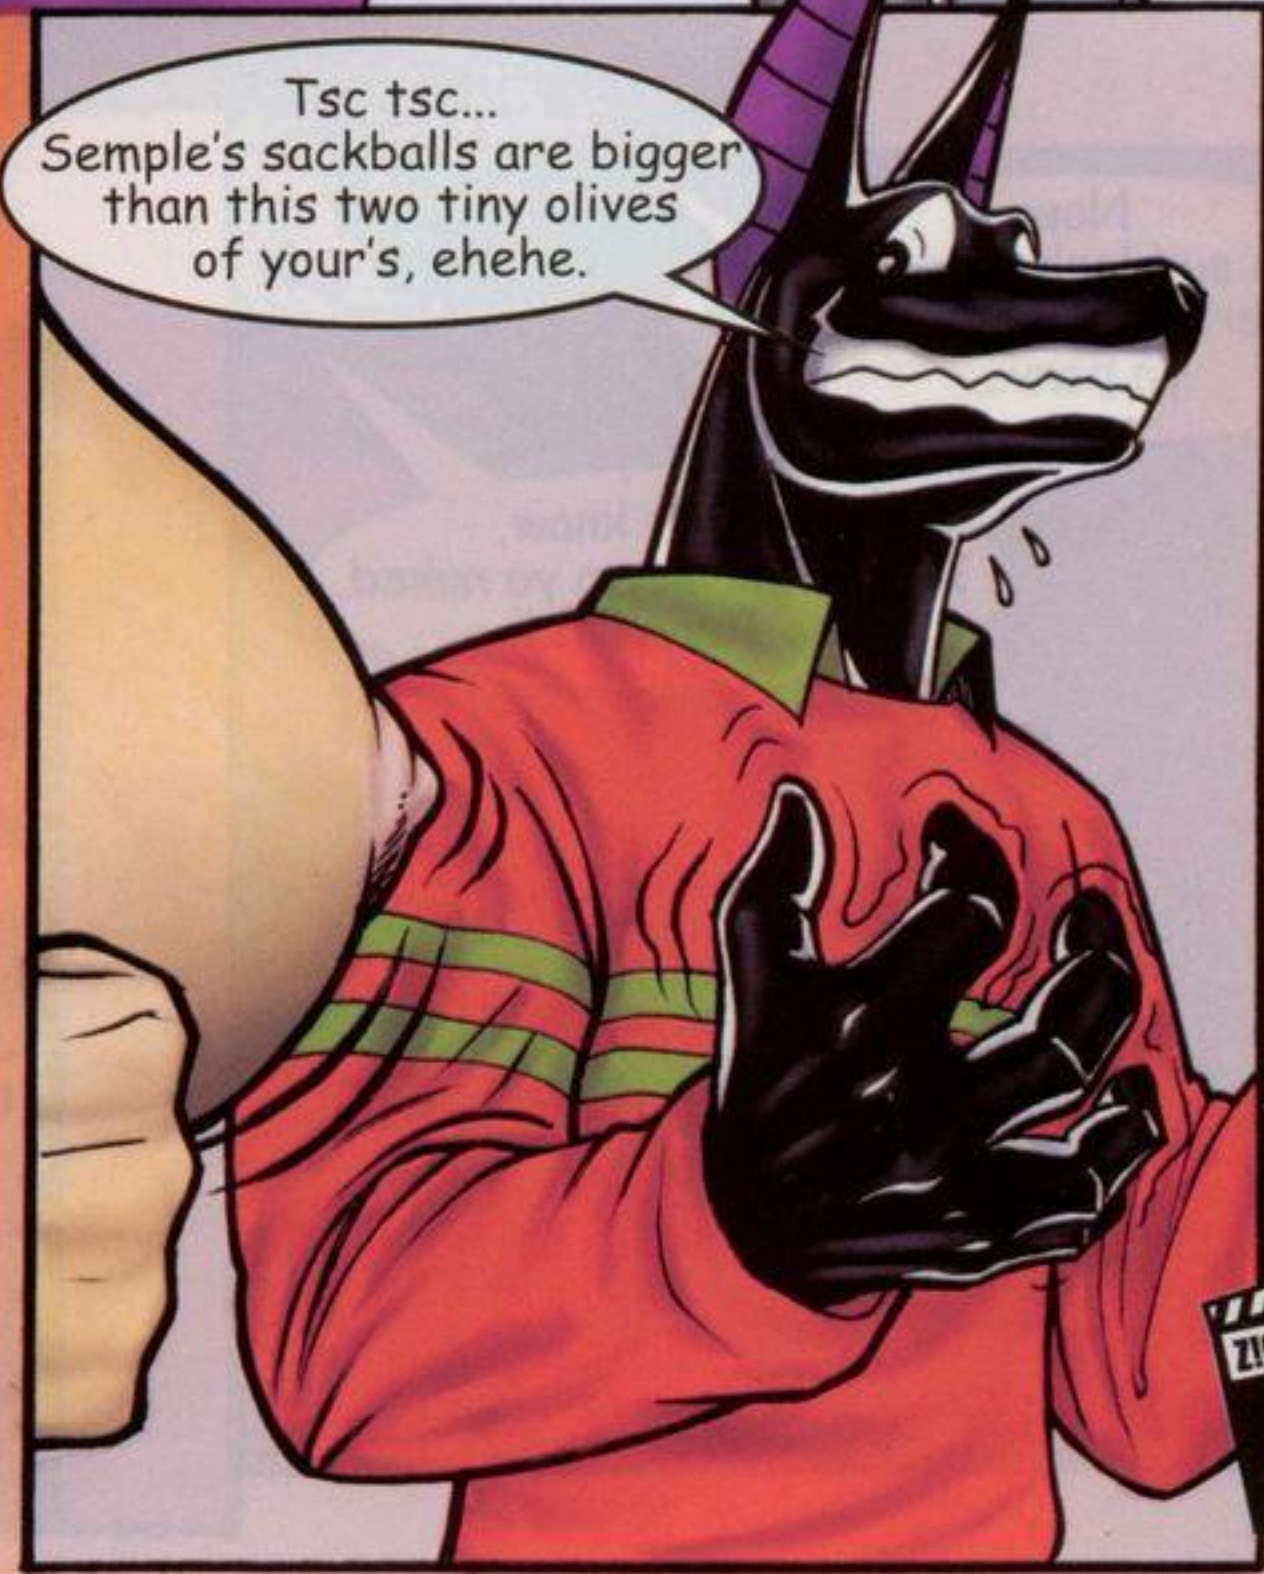

Listen here Mr. Smart pants,
I'm not in the mood for your cheap mind games.
My ass is even or much more yummy than Tina's.
I'm just... Waiting for the right male to show it. And don't
try asking me to show it for you, I'm not gonna fall
in the old reverse psychology
trap!

Besides
I'm not really interested in looking
to plain surfaces like your butt...looking
at this door is equally horny.

Son of Bitch!
Does that whore has
something like this?

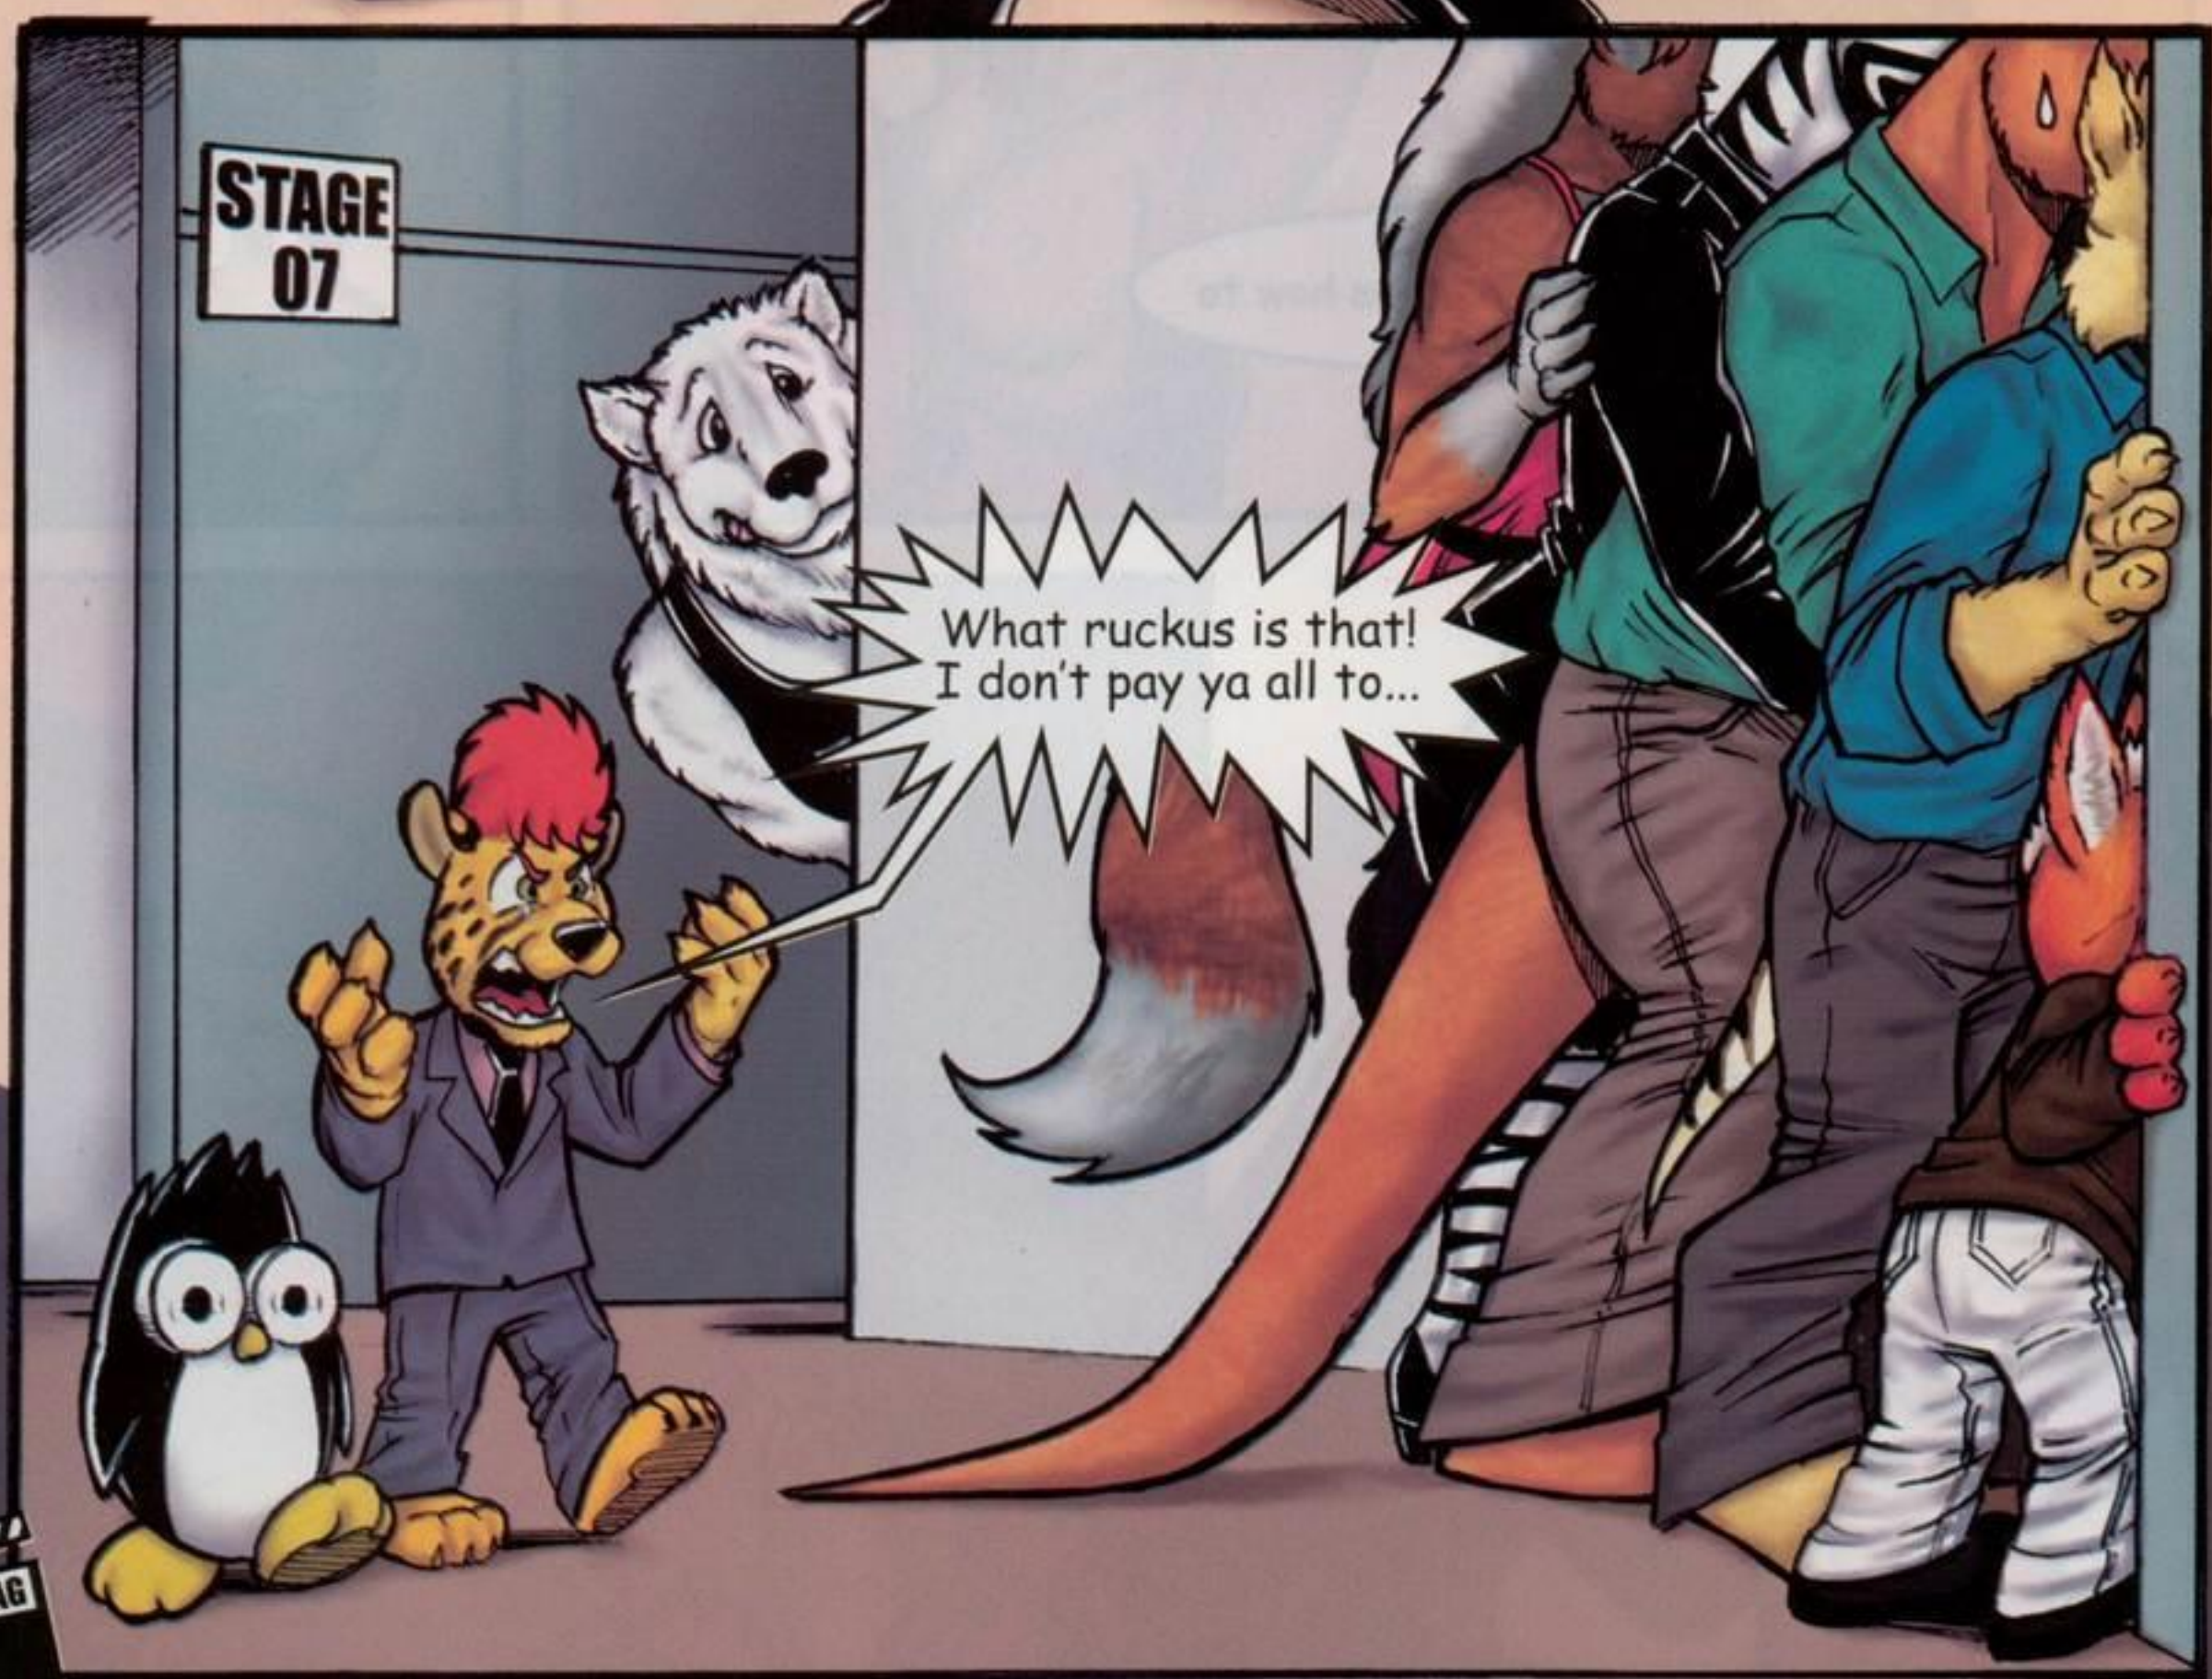

Tsc tsc...
Semple's sackballs are bigger
than this two tiny olives
of your's, ehehe.

Ohh...your dirty dog...

STAGE

What ruckus is that!
I don't pay ya all to...

Z!Comics - PAG

beautifull natural scene and not average
stage-acting.

Huhuhuhu, no kidding?

Hey hey, stop it now!
I don't like seeing my
girlfriend fucking out of her
professional schedule.

Oh! erf..Ahem...
hehe force of the
habit...

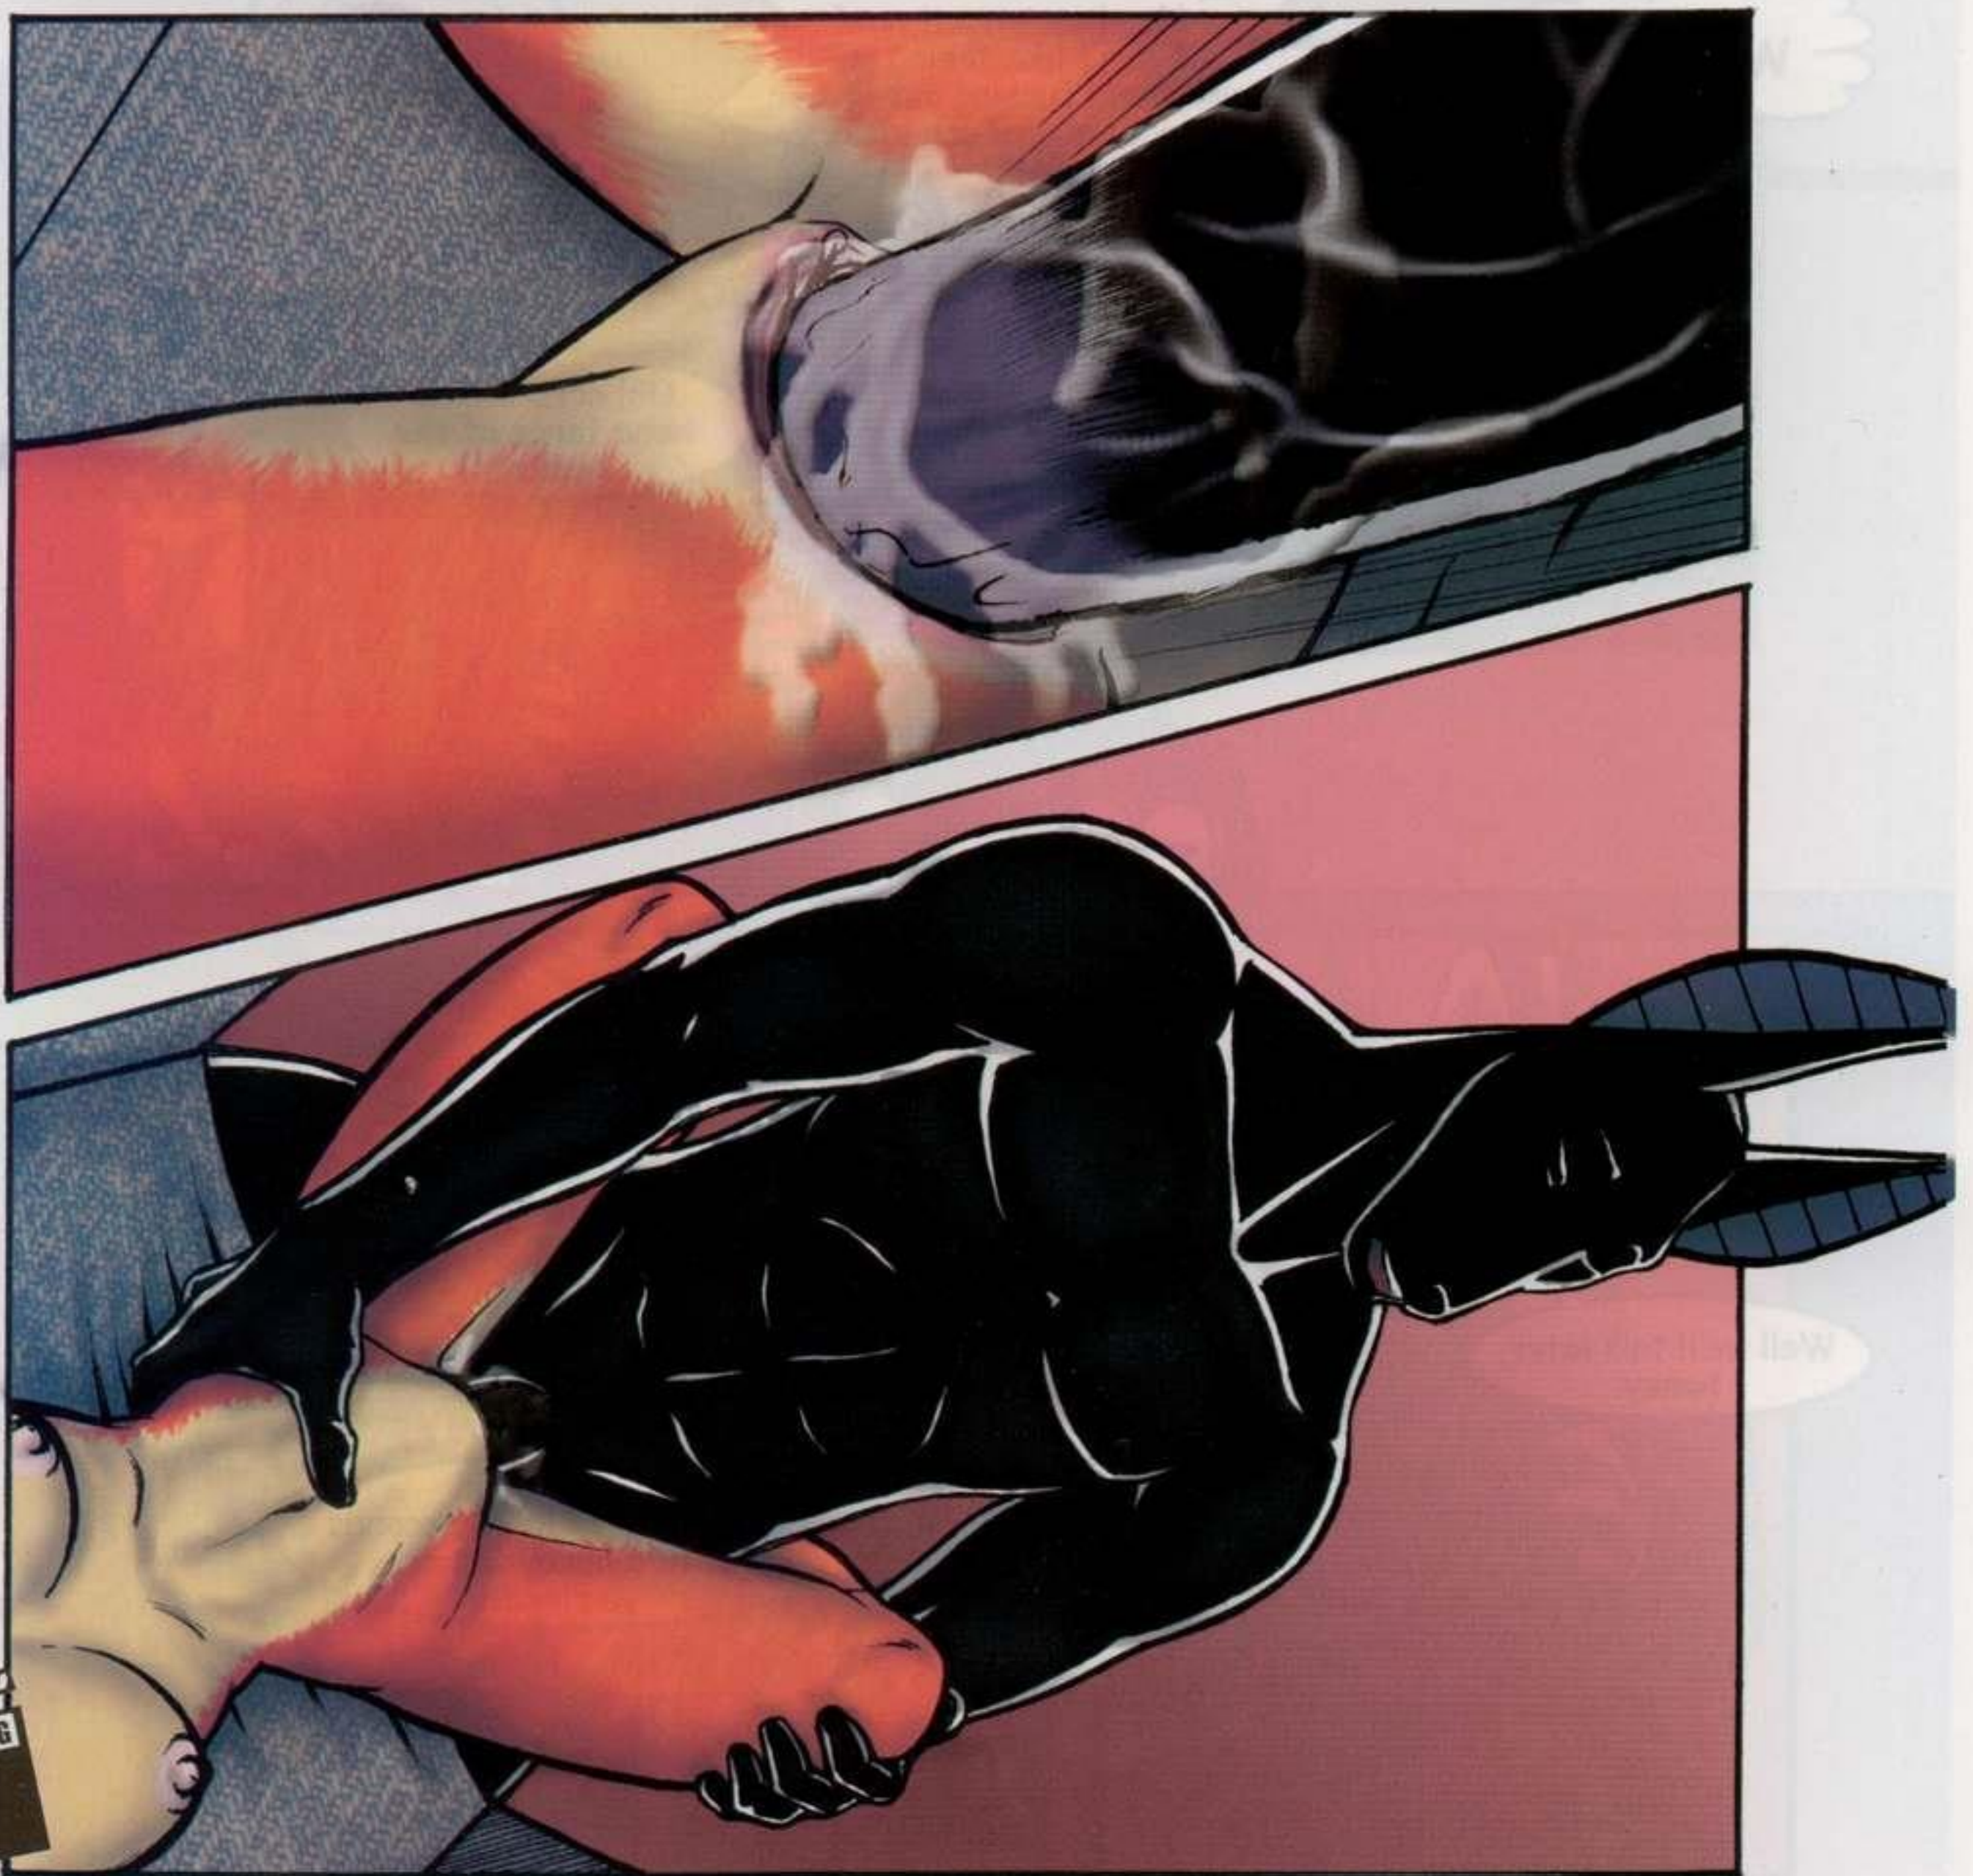

Well we'll talk later,
honey.

Boccob! Be in
da corridor 17 in 30 seconds

all that stuff...

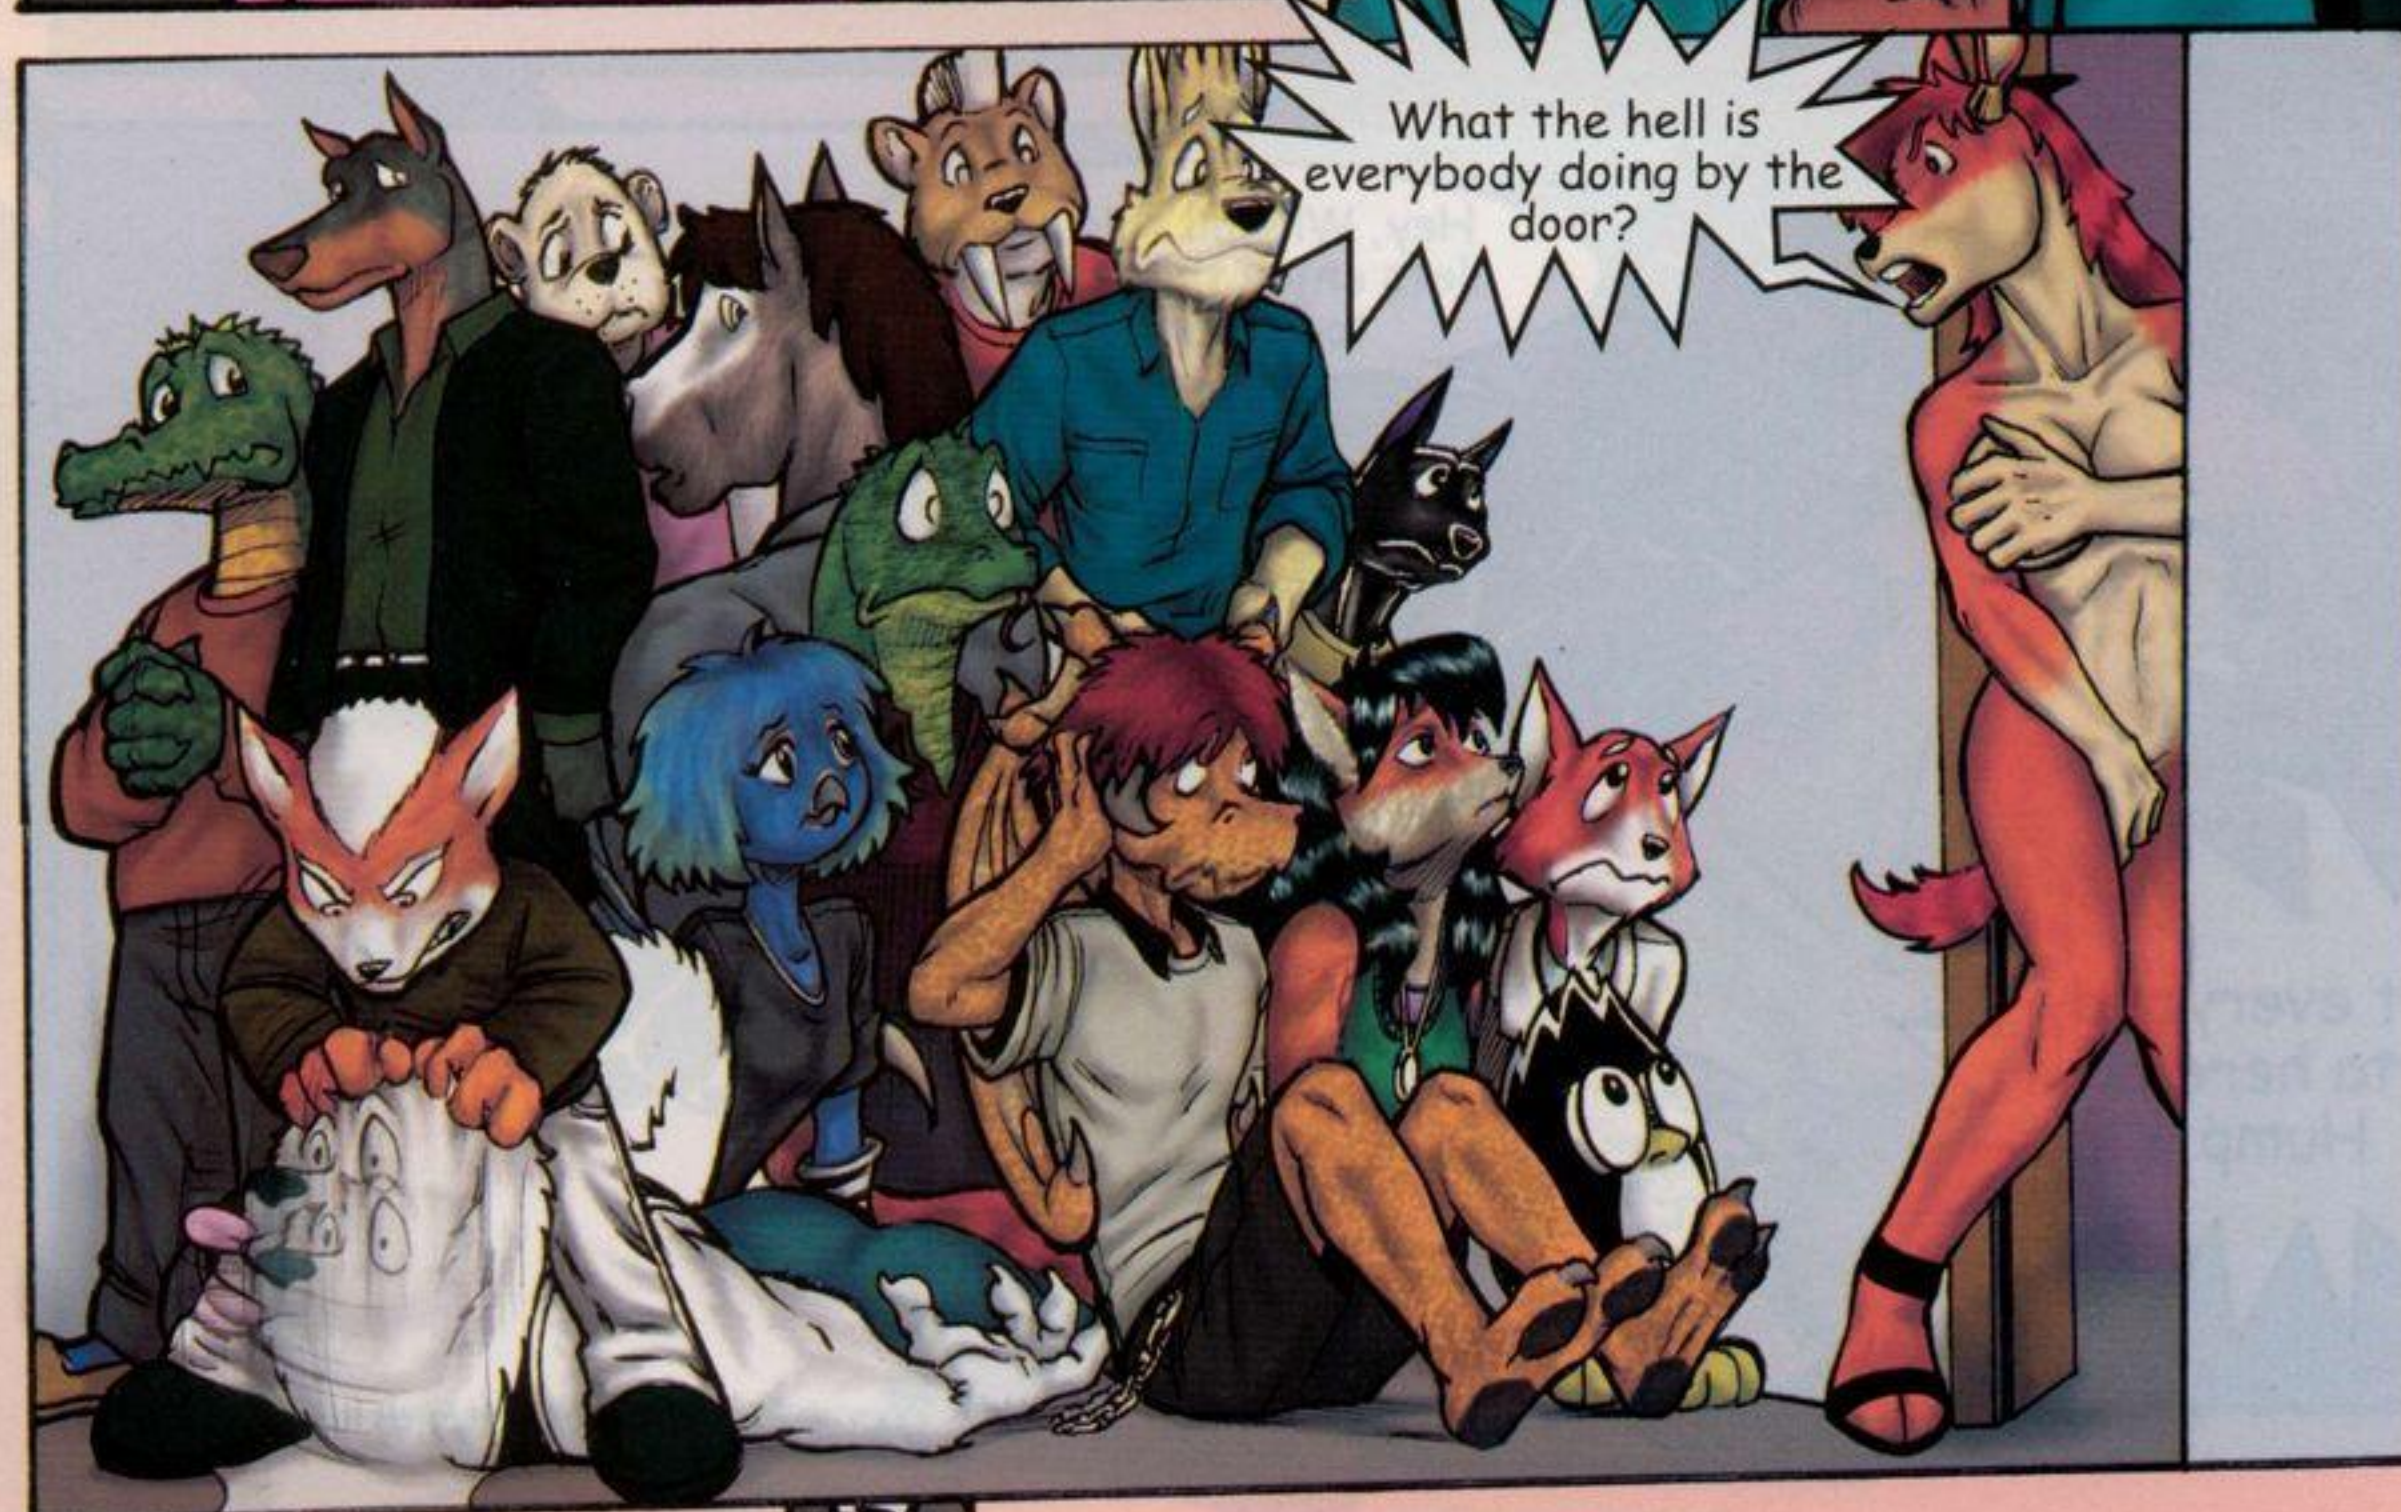

Aren't ya gonna fire me?

Nope,
I'm gonna promote ya!

Whaddafuck?
The donkey was promoted just
because that Tina's
blowjob?

It seems
ya have some competition
at last Semple.

What the hell is
everybody doing by the
door?

I gotta
better things to do now...
I'm leaving...

Cleaning the floor.

Getting some water for me.

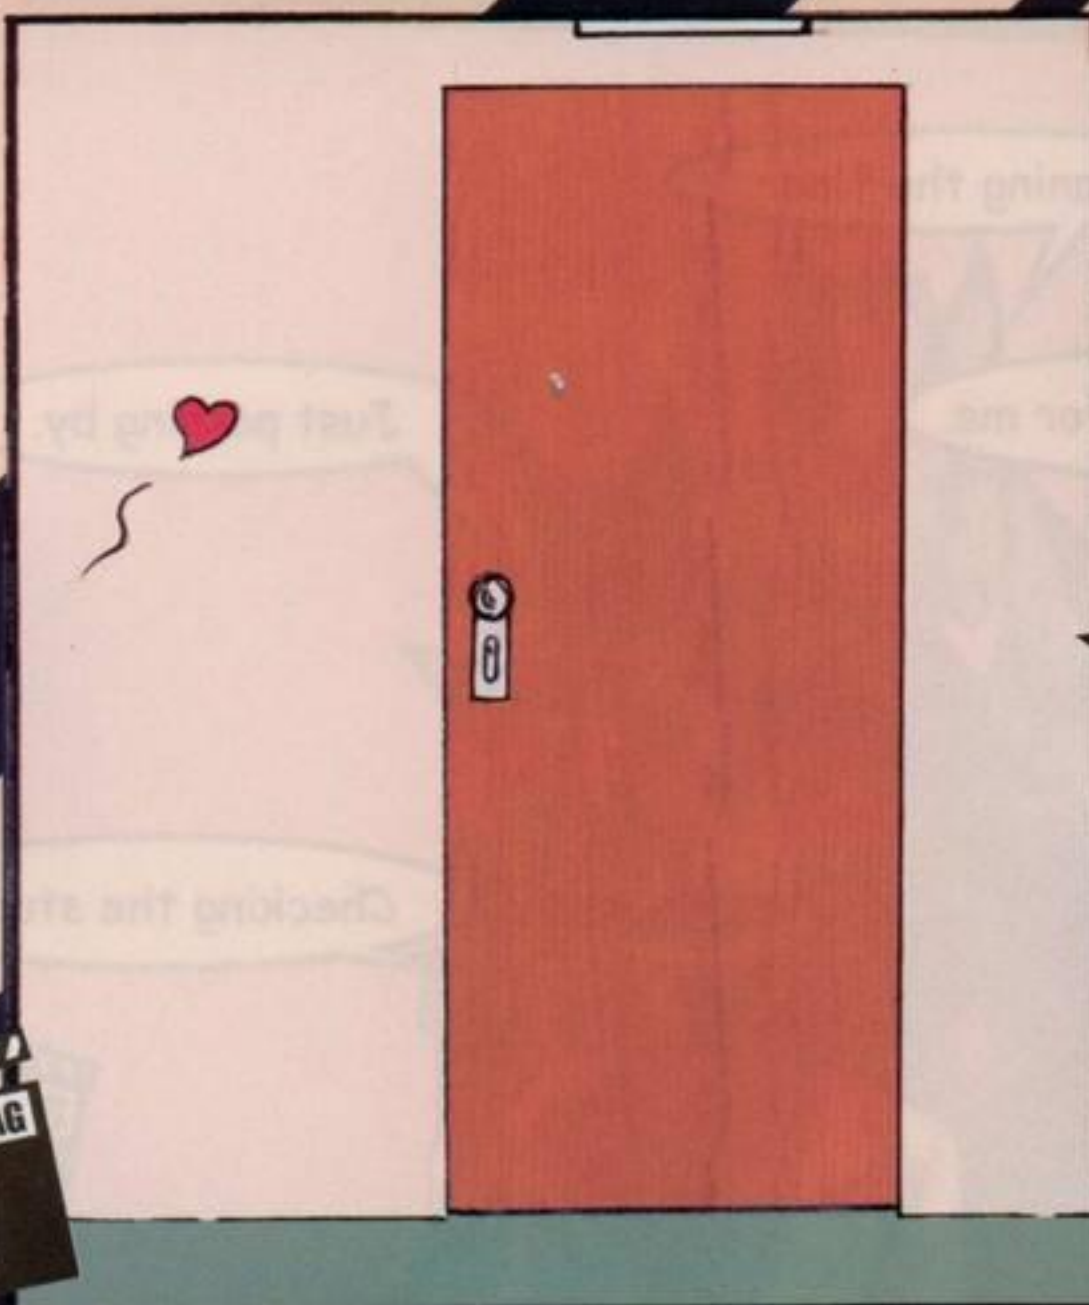

Just passing by.

Checking the studios.

**WULFGAR'S
WHERE I BELONG**

I can't believe they think I'm useless...

I'm going to work really hard to prove them wrong!

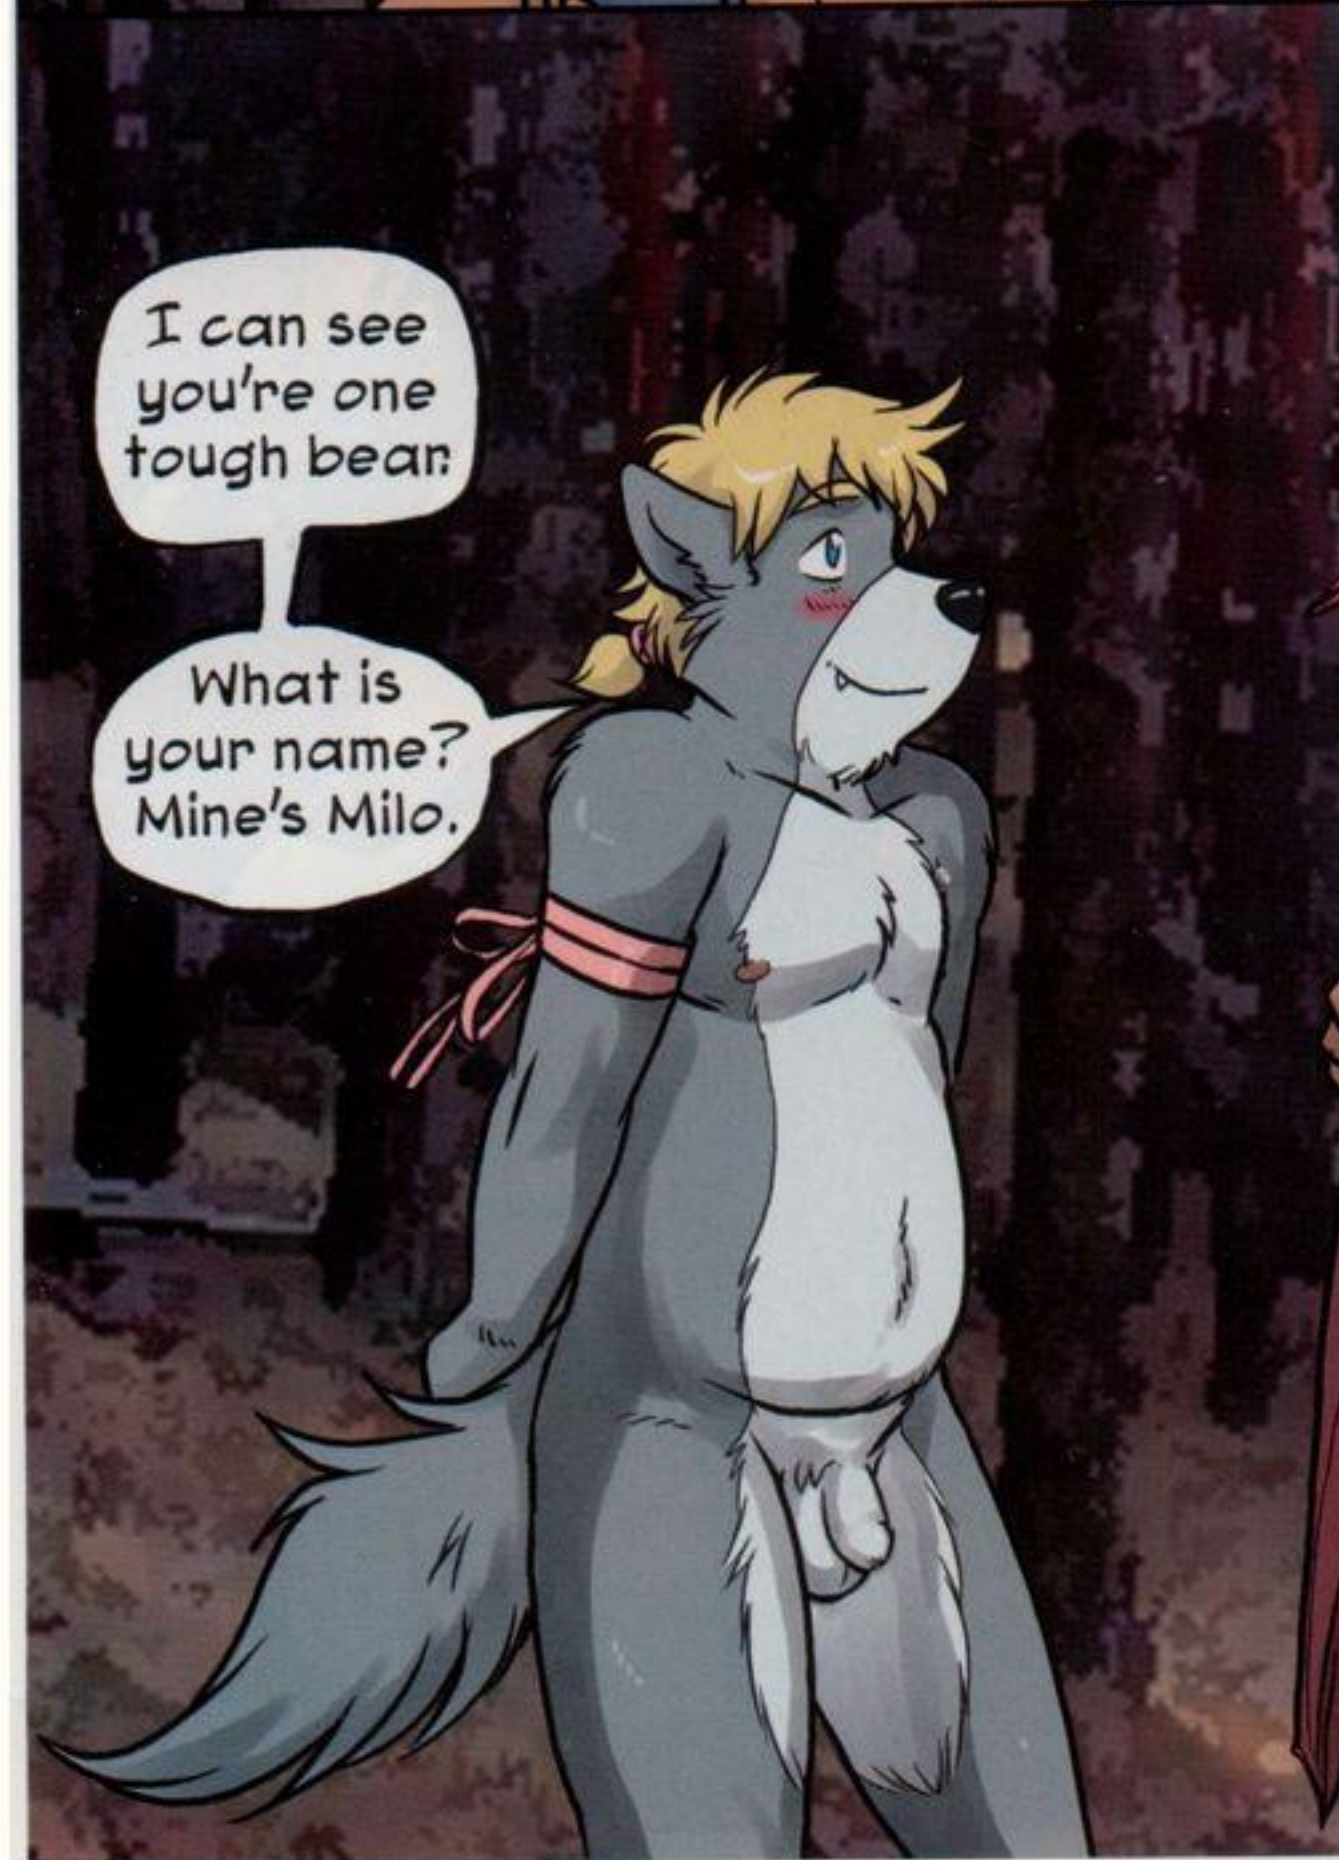

They said you were useless?! I can't believe they think that.

Yeah.

Huh?

You look so strong!

I can see you're one tough bear.

What is your name? Mine's Milo.

Oh uhm... My n-name is... Abraham... Yeah...

WULFAR'S
WHERE I BELONG

Yes,
That's me.

And who
are you?

Are you
another
homeless
boy for
me to play
with?

You're
teasing me
already!

It's... It's just what
my older brother
used to say to me
before... he... did
those things to me...

You little
punk

You're
teasing me
already!

N-Not
now,
big bro...

You're
useless...
You can't
do anything
right!

He... Fucked me
several times a day
for two whole years.

...It's not that
I didn't like
the way he
used to breed
my virgin
bear rump...

But I wanted out.
I tried telling my
family, but
they wouldn't
stop calling me
a useless liar

...I feel like I need
my revenge. Maybe
not against my
brother, but
with this spoiled
horny boy!

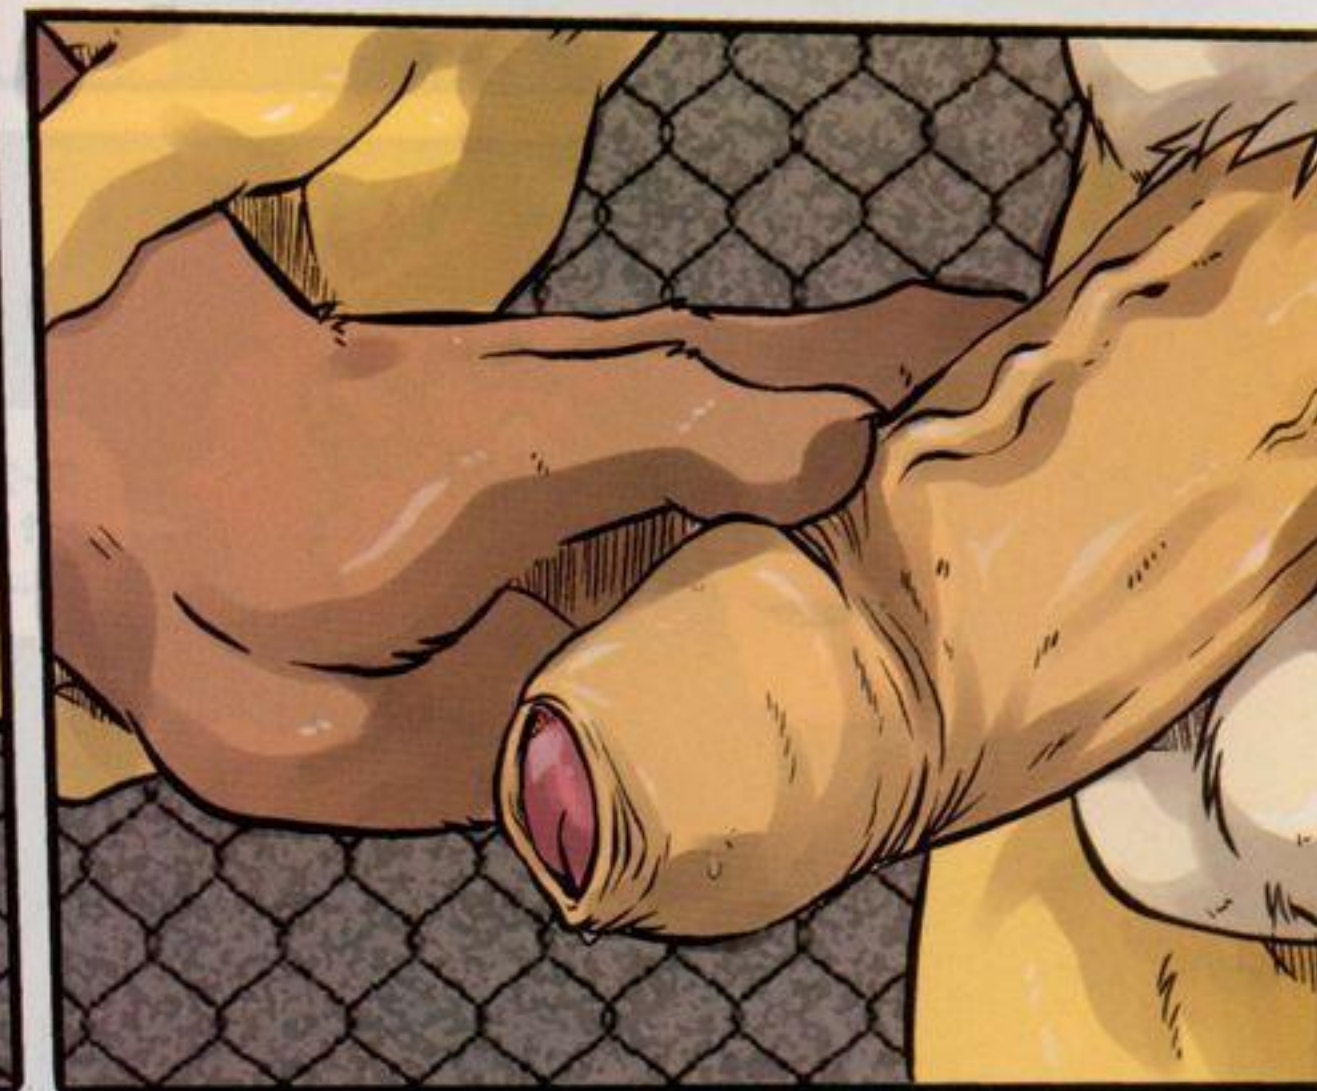

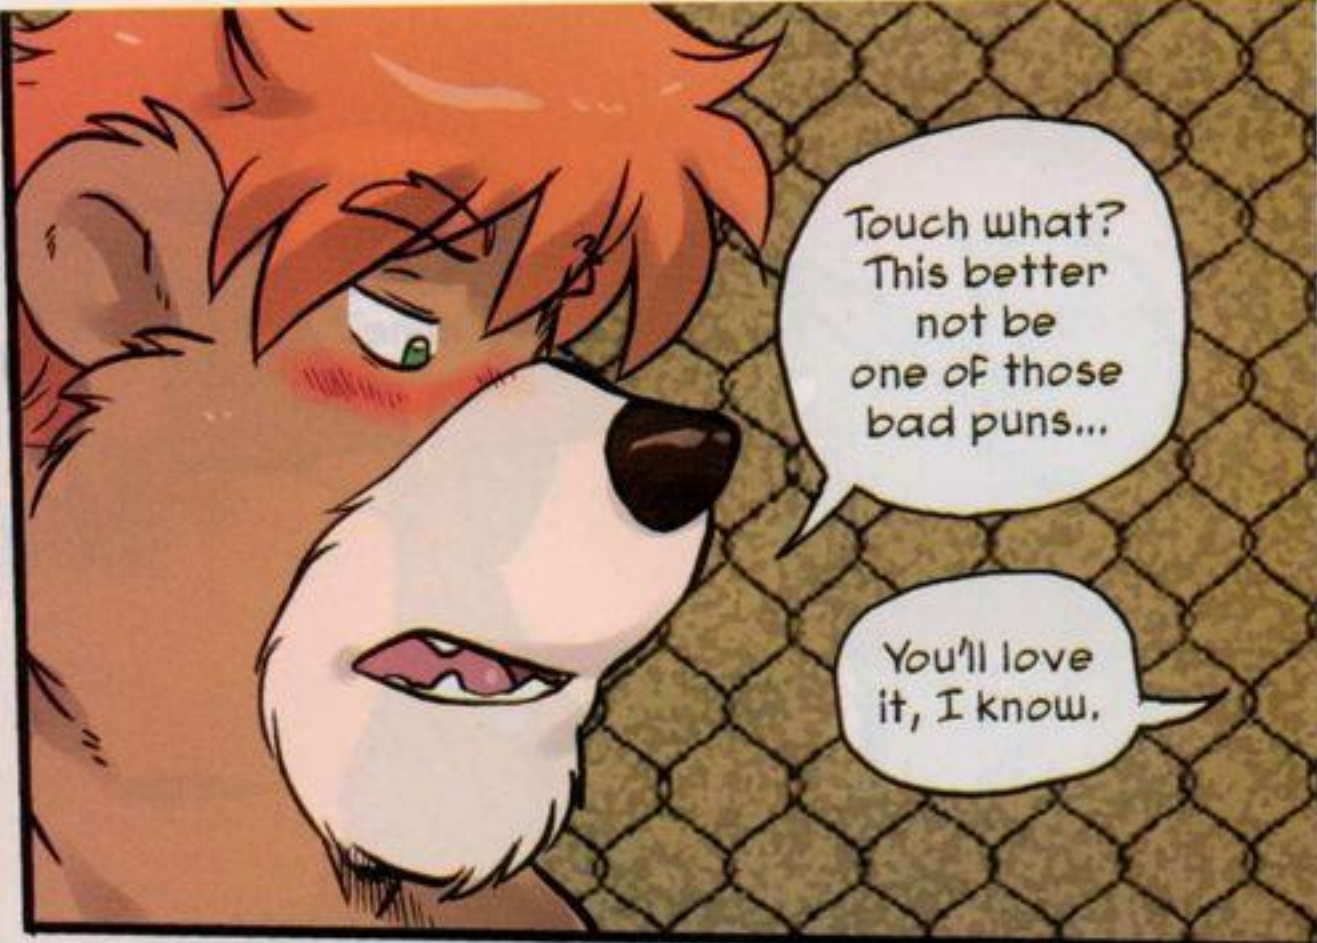

I am here
to stop your
perverted
nonsense,
Leonidas.

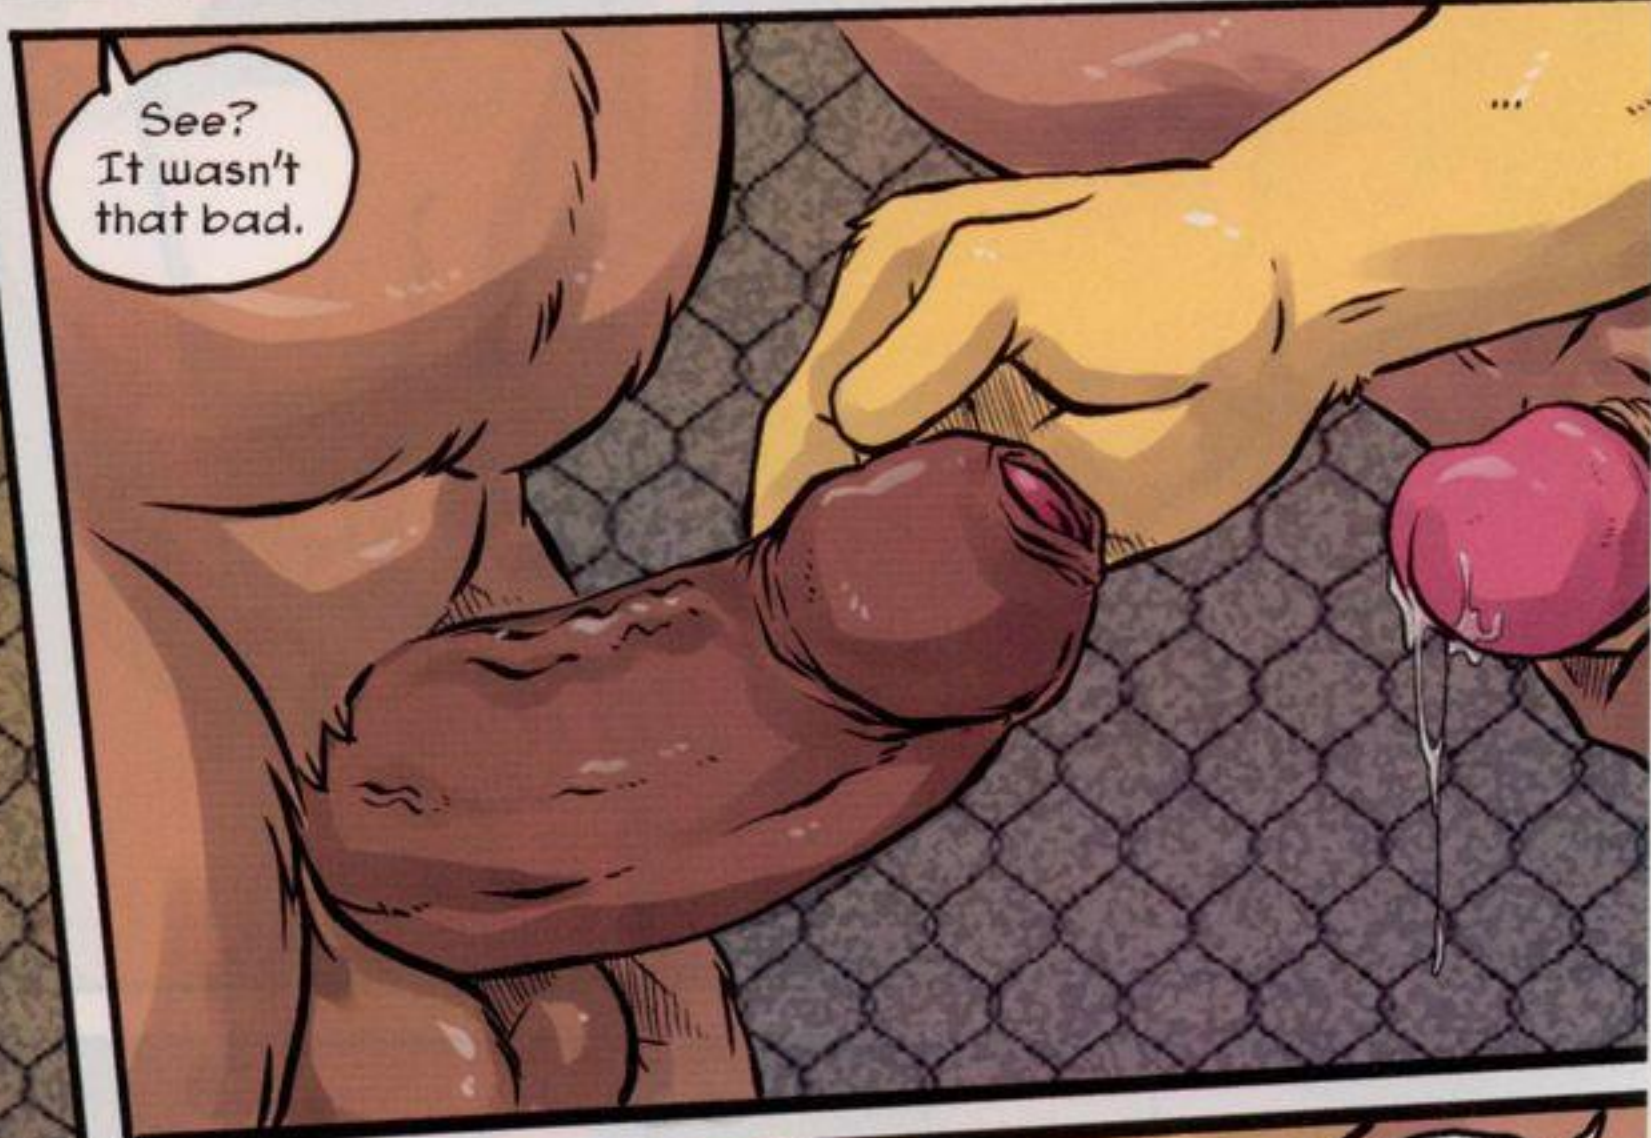

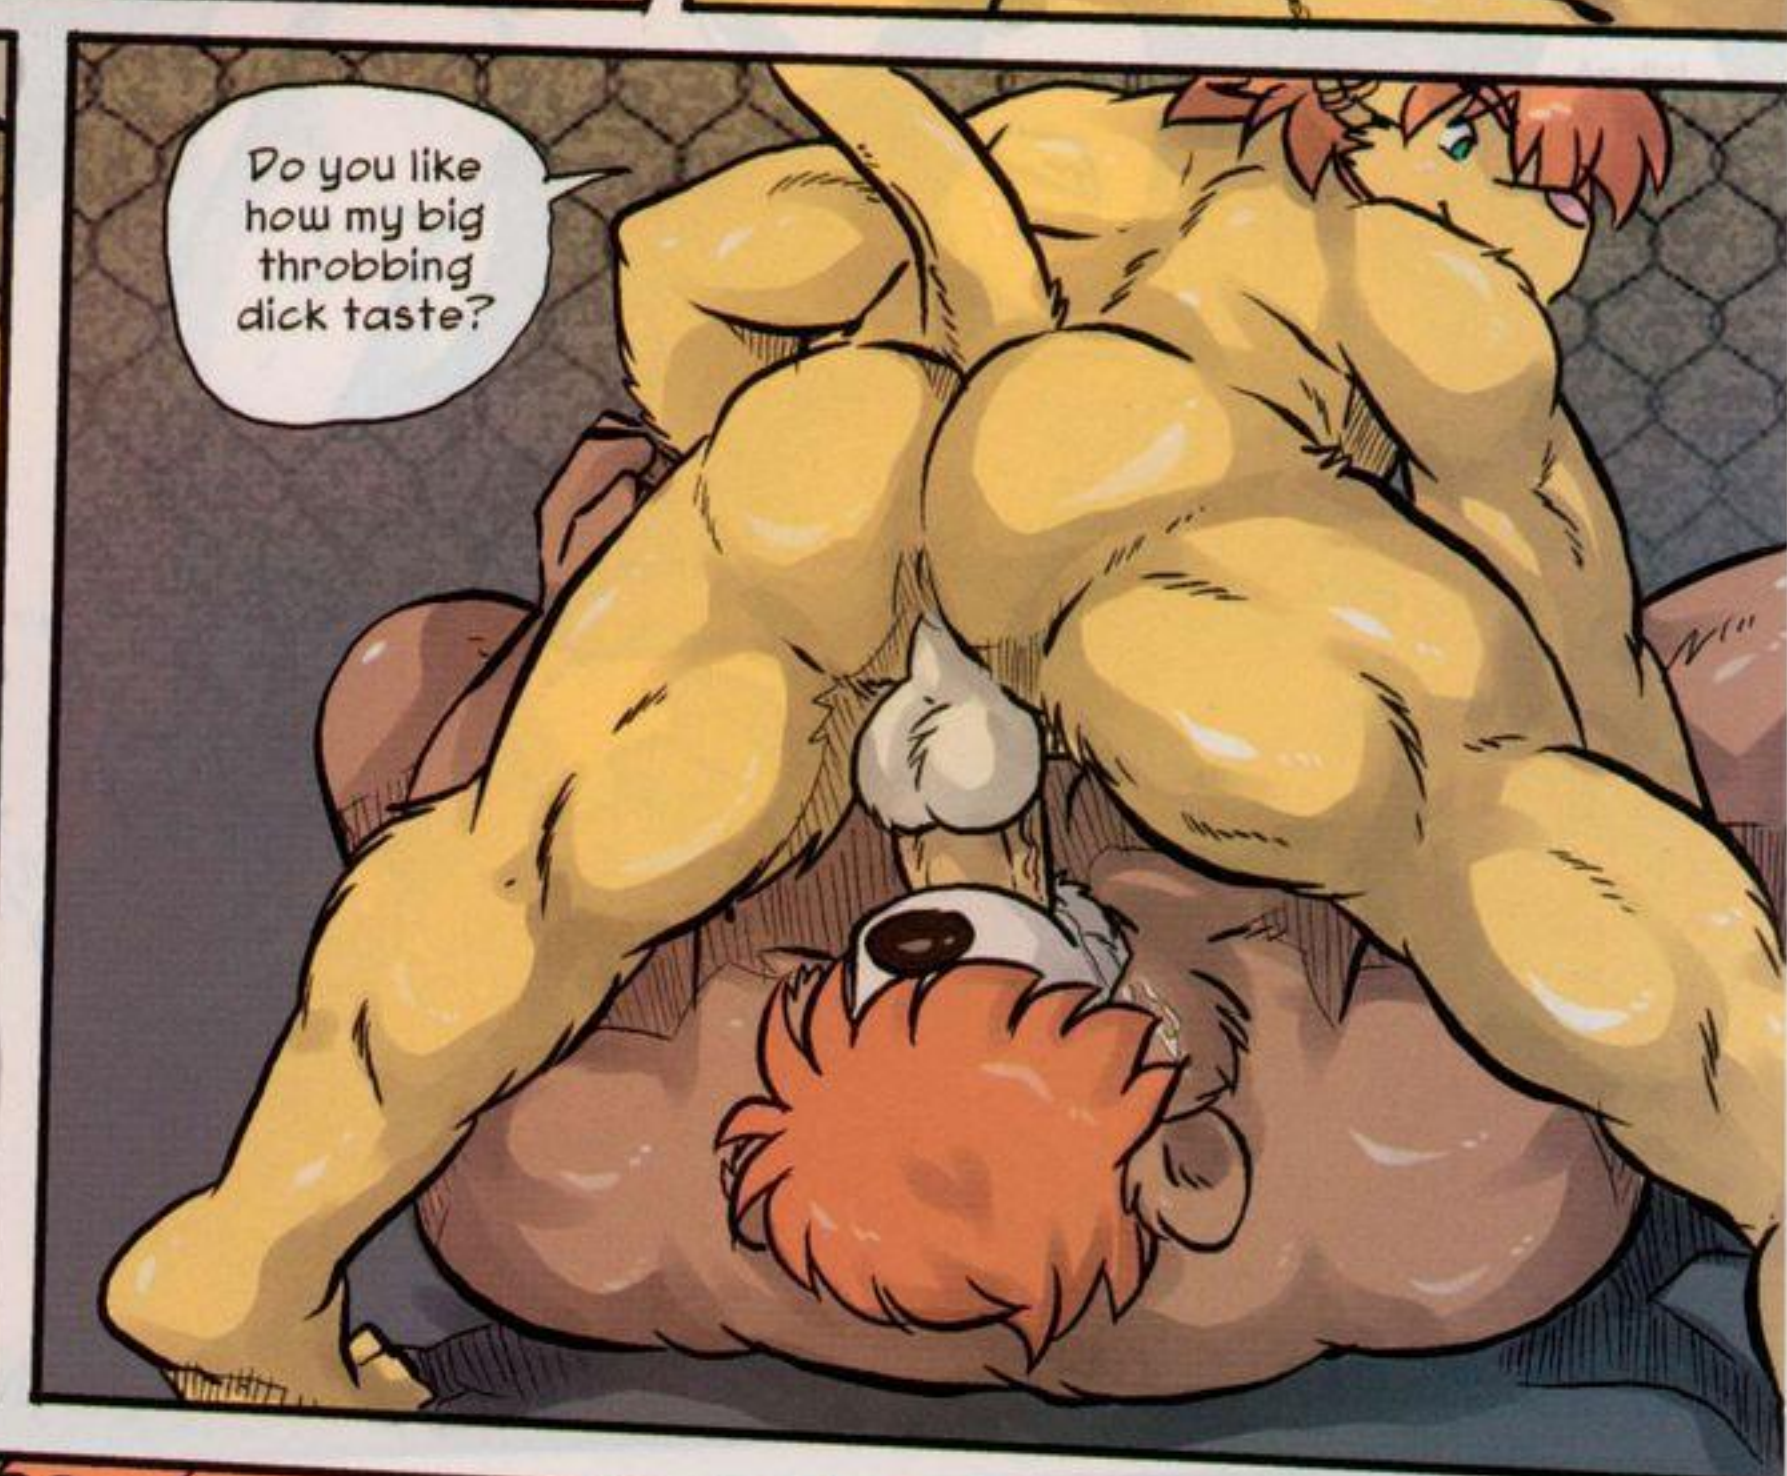

That was the last day we played the "master and slave" game that Leonidas liked so much. I'm certain he just wanted to find someone who could turn him from master to slave.

Abraham found a new place to live, he was appreciated just like he deserved. I'm sure he wants to be my boyfriend, and he'll find the courage to come clean to me some day...

The rest of us enjoyed our life after that day. We didn't have to "pay gratitude" to Leonidas anymore. If we "play" it's because we want to play.

This is definitely where I belong...
